

DISTRIBUTION OF PUBLIC DOCUMENTS.

COMMUNICATION

FROM

THE SECRETARY OF STATE,

RELATIVE TO

The distribution of documents ordered to be printed by the Senate and House of Representatives, and asking an additional number of copies.

JANUARY 31, 1844.

Read, and referred to the Joint Committee on the Library.

DEPARTMENT OF STATE, *January 30, 1844.*

SIR: I am required to distribute the different documents, printed by order of the Senate and House of Representatives, to the incorporated colleges, societies, judges, &c., throughout the United States; and for that purpose there are a certain number sent to me by order of each House. Owing to the increase in population and other causes, those entitled by law to receive them now exceed the whole number of documents sent to this department. I have, therefore, the honor to request that you will obtain for me the requisite number (say fifty additional copies) of the documents printed by order of the House of Representatives, to meet the already increased, as well as necessarily growing, demand for them under the law.

I am, sir, respectfully, your obedient servant,

A. P. UPSHUR.

The Hon. the SPEAKER
of the House of Representatives.
